We will hold two book clubs, at no charge, to allow our members to earn a total of 2 PSP Points (1 point per book club) for PSP requirements. The first book club discussion will be on 3/14/24 and the second discussion on 4/18/24. Both discussions will take place at 7:00 p.m. (EST) via Google Meet.

The first book will be “Who Moved My Cheese” by Spencer Johnson and focuses on revealing profound truths about dealing with change to allow for less stress and success in work and life.

The second book will be “The Coffee Bean” by Jon Gordon, which focuses on how to transform your environment, overcome challenges, and create positive change.

Given our everchanging jobs, home life, and stress – we are excited to read, explore and discuss both of these books. Both books are available on Amazon, Kindle, etc.
