

Southeast Area

Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi and Tennessee

Welcome to the Southeast Area. The National Association of Educational Office Professionals (NAEOP) currently has seven geographical areas. As a member of NAEOP, you are automatically a member of the Southeast Area if you currently live in one of the states listed above.

NAEOP President Lisa Morehouse has chosen the theme “Accept the Challenge, Become the Difference”. What is a challenge for you-professional development, annual conference, and/or PSP? You have the opportunity this year to accept the challenge and become the difference. Professional development is offered through NAEOP by Webinars, Southeast Area Professional Development and Annual Conference. Annual conference - start planning now to attend next year’s conference. PSP – complete one form to start the process. Are you ready to Accept the Challenge and Become the Difference?

If you have any questions or need more information, please feel free to contact me.
