Serving: Illinois, Indiana, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, and Wisconsin.

Welcome to the North Central Area! Together as an Area, we are on a journey to define our purpose and practices. Your input and involvement are welcome and encouraged. We look forward to new and exciting things coming from our area especially hosting the 2018 NAEOP Annual Conference and Institute, July 16-20, in Bloomington, MN!

Congratulations to Lisa Morehouse, 2017-2018 NAEOP President. The North Central Area is very proud to have one of our own members serving in this role. Together with Lisa we will “Accept the Challenge, Become the Difference” this year as we work to strengthen NAEOP for the future. I encourage you to accept the challenge to do what you can to serve our association and be the difference to our current and future members.

NAEOP Board Liaison – As the North Central Area Director, I serve on the NAEOP Board of Directors as the liaison between NAEOP and the local and state associations within the North Central Area. If you have questions or concerns that need to be brought to the Board, please feel free to contact me at any time.

Professional Standards Program Chairman – For the 2017-2018 year, I will serve as the Professional Standards Program (PSP) Chairman. In this role, I will work to implement the Professional Standards Program as adopted by the members of NAEOP, review the information and materials we have for our members, and will have the honor of recognizing PSP recipients at the NAEOP Annual Conference next summer in Bloomington, MN.

Membership in NAEOP means you have chosen to become a part of a professional association dedicated to the growth and professional development of educational office professionals. If you are not currently a NAEOP member, I encourage you to join. By joining NAEOP and working in one of the states listed above, you are a North Central Area member!

Most importantly, this is YOUR association and YOUR thoughts, suggestions, ideas, recommendations, and questions are all important to me. Please contact me at any time. I look forward to serving you as we work together for the benefit of NAEOP and our members.
