2019 NAEOP CONFERENCE

July 15-19, 2019

Boise, Idaho

The count down to Conference is well underway. Hopefully everyone who has planned on attending has gotten confirmation and is geared up for a terrific week in Boise.

You are receiving this special edition of the NAREOP Newsletter as it contains two invitations for some Conference participation.

Firstly, I have been contacted by Kathy Buck asking for volunteers to Hostess (Speaker Buddy) a briefing. This would require you to introduce the speaker (information is provided by the speaker ahead of time) and to hand out PSP certificates at the end of the briefing. If you are attending a briefing, or if you are willing to sit in on a briefing, during your conference time, please contact Kathy directly at: klrainbow49@gmail.com.

Secondly, we also have received an invitation to help at the NAEOP promotional table for the 2020 Conference in Salt Lake City. If you have some time to devote to helping at this table, please contact Michelle Raymond at: mraymond@graniteschools.org
The door is open ladies....let's help these hard working people and "make our presence known"!!

- *Connie*
