# STAY CONNECTED

## GREAT TIME TO LEARN NEW SKILLS!

Please join us for the RCAEOP February workshop. Learn and grow at the comfort of your home on your terms.

Once you register and payment has been confirmed, we will send you the link to the workshop. I encourage you to log on early 10 minutes before the workshop just in case and practice using the program/app before hand so you are comfortable with using Google Meet.

We will be putting up tips on how to use Google Meet on our website: [www.rcaeop.org](http://www.rcaeop.org)

### LEARN, GROW, NETWORK

Attending this workshop is a great way to discover new skills, meet new people in your industry and to take your abilities to the next level.

### TAKE IT TO THE NEXT LEVEL

School districts and employers are looking for employees who are tech savvy and possess skills that make you stand out.

### ACCESS ON ANY DEVICE

You can access the workshop on any device that supports Google Meet. It is suggested that you practice using the app for this workshop.
